| <i>MBIC History: On May 22, 1910 the first worship service was held at the original location on N. Grant Street in Manheim. Rumor has it this congregation was started for farmers retiring to live in town and desiring a church they could all walk to. The congregation outgrew the small white church in Manheim and in 1977 the church leaders took a bold step to purchase land to build a church that would allow for future growth. This vision became a reality at 54 N Penryn Road.</i> | 1892 | Henry B. Hoffer   |
